OFFICE OF THE CONTROLLER OF CIVIL SUPPLIES IN MYSORE, BANGALORE.

Notification dated 27th September 1949.

REVISED ARRANGEMENT IN CLOTH DISTRIBUTION.

No. T. 2369. The present distribution arrangement remained in force since the re-imposition of contro'ls with slight changes from time to time and continued to work satisfactorily from all points of view. Certain developments, particularly, in the Mills in Bombay, Ahmedabad and Sholapur necessitated the Textile Commissioner, Bombay, to allow the Mills to sell their unlifted or unallotted cloth to consumers of their choice in any place in Indian Dominion. As a result, the procurement of cloth from surplus areas is no more confined to the State Nominees and the wholesalers are also free to purchase goods direct from the Mills and sell to the licensed retailers. Though in the first instance the procurement of "Free Goods" was confined to the State Nominees, as per Notification No. T. 1153, dated 1st August 1949, issued from this office the latest position has however necessitated the withdrawal of the said restriction.

On a careful consideration of all aspects of the issue and in exercise of the powers conferred on me by clause 30 and sub-clause (1) (a) and (b) of clause 32 (1) of Cotton Textile Control Order, 1948, I hereby lay down the revised procedure in the matter of distribution of cloth of various mills throughout Mysore State :—

1. The three classes of dealers, *viz.*, Procurers, Wholesalers and Retailers are continued to function subject to the existing rules in force.

2. *State Nominees.*—(*a*) The monthly allotment of local mill goods, Buckingham and Carnatic Mill goods and Mettur Mill goods will be arranged in favour of State Nominees only as at present. Allotment of the above goods to the wholesalers will be arranged through the Purchase Authorities as heretofore.

Local Mill fents should be declared by the nominees as usual for allotment to readymade dressers in Bangalore City Dhoty fents, Saree fents and longcloth fents need not be declared and may be sold under free sale.

In case the Local Mills should be in a position to offer local Mill goods under free sale to any State Nominee the goods so purchased should be declared to this office for allotment to wholesale dealers through the Purchase authority and such goods should not be sold under free sale.

(*b*) The allotment of monthly quotas of Bombay, Ahmedabad and Sholapur goods by the Textile Commissioner, Bombay will be arranged as usual in favour of the State Nominees. They are free to procure out of allotted goods as much saleable quantity as they are capable of purchasing in Bombay, Ahmedabad and Sholapur and sell such goods to any wholesale dealers in the State without any restriction as regards quantity or variety after crediting to Government the usual centage of ½ per cent on Ex-Mill value.

Immediately on arrival of the goods in Bangalore the Nominees should declare the stocks giving particulars of the quantity in different variety with other particulars and commence sales after a lapse of 5 days from the date of declaration. In case certain varieties are in short supply in particular areas, the quantity and variety required will be allotted to the concerned wholesalers, out of the declared stocks. Where the concerned wholesale dealers do not pay for and lift the goods within 5 days from the date the Nominees send intimation to the wholesale dealer the nominee may dispose of the allotted stocks under free sale to any wholesale dealers of his choice, after the lapse of 5 days.

Since the Nominees are now free to sell their regular quota to their own dealers, the responsibility for purchasing the required varieties of goods and their disposal solely rests on them and they should not under any circumstance approach for any kind of relief for the disposal of accumulated unwanted stocks which may arise owing to bad purchases.

The nominees are free to purchase any quantity of cloth from Mills in Bombay, Ahmedabad, Sholapur under free sale and dispose of the stocks to wholesale dealers of their choice subject to the procedure laid down above.

(*c*) The nominees should furnish a statement of sales of Bombay, Ahmedabad and Sholapur Mill goods at the end of each month. One copy of such statement should reach this office not later than the 5th of the succeeding month and another copy forwarded to the Enforcement Officer, Bangalore, for information.

It should be clearly noted that no sales should be effected without crediting he ½ per cent centage and 2 per cent procurer's margin to Government. Even after the lapse of the above 5 days, the right to ell accrues only after the remittance of the amount due to Government on the declared stocks. When once they acquire he right to sell the goods, they are no more required to await any distribution instruction from any quarter except any llotment that may be made from this office within five days from the date of the declaration of the stocks by such wholesale ealers. Failure to adhere to the above instrtctions will ential cancellation of the wholesale license.

(*c*) As regards local mill goods, Buckingham and Carnatic Mill goods, Mettur Mill goods, allotment will be arranged at he discretion of the undersigned to wholesalers through purchase authorities from this office. The wholesale dealers are llowed to sell these goods to the retailers of the Taluks to which they are attached not exceeding 500 yards in quantity and ot more than 250 yards in each variety out of each allotment. 4. *Retail Cloth Dealers.*—The licensed retail dealers are free to purchase Bombay, Ahmedabad and Sholapur Mill goods under free-sale from any wholesale dealers in the State : Local Mill, B. and C. Mills and Mettur Mill goods from any wholesale dealers attached to areas to which they belong. As regards local Mill goods, they cannot purchase more than 500 yds. from any one wholesaler and not more than 250 yds. of any one variety within the 500 yds. limit against each allotment. But there is no restriction in their purchasing local mill goods from more than one wholesaler attached to the Taluk. In any case, they should obtain entries of sales of goods either foreign or local in their purchase slip attached to their respective licenses to enable checking and supervision over such purchases by the departmental staff.

5. *Margin of Profits.*—Margin of profit and other charges as they relate to the different classes of dealers with regard to superfine, fine, medium and coarse cloth and local mill goods, B & C Mill goods, Mettur Mill goods should be scrupulously followed and the limits should not be exceeded by any class of dealers. Any infringement of this condition will be construed as violation of sub-clause (1) (a) of clause 22 of the Mysore Cotton Textile Control Order, 1948 and the dealers concerned are liable for prosecution.

The above revised arrangements are brought into force not only to afford relief to the dealers under the present slump in cloth market but also primarily to help the consumers to take advantage of varieties they are used to, out of abundant supply of cloth at controlled rates. The dealers in particular are cautioned before hand that any tendency of anti-social activity on the part of a few of them will necessitate the cancellation of the concessions now extended and revert to the existing distribution restrictions. It is hoped that the trade interests will appreciate the critical period through which the country is passing and extend their wholehearted co-operation so as to make the revised arrangement a success thereby paving the way for the early removal of all restrictions. By such co-operation they will earn good-will of the consumers in whose interests the present cloth control is exercised at present.

The above revised distribution arrangements will remain in force till 15th November 1949.
